Summary

A motivated and hard working student in High School and College. Skills include public speaking, creativity, diligence, and bilingual. Able to communicate effectively with a team and very keen to develop more professional skills. Understanding of good worth ethics and a love of learning.

Education

Pleasant Grove High School
High School
Pleasant Grove, Utah
Enrolled August 2017

Diligent student that loves to learn new things. I've received a 4.0 throughout my high school career. Extracurricular activities include orchestra, hope squad, and karate. I participate in many school clubs including Operation Smile to help raise awareness and money for children who need surgery for cleft chins. Hope Squad is the program I participate which is a suicide prevention club. Future Business Leaders of America is another club I participated in.

Utah Valley University
University
Orem, Utah
Enrolled August 2018

I've received a 4.0 while taking my high school courses. I will graduate with my Associates Degree in May 2021.

Work

Bobby Lawrence Karate- Head Instructor
American Fork and Lehi, Utah
Started September 2019

Working at a karate studio I was in charge of many things including: teaching karate, private lessons, promoting business by marketing through Facebook and Instagram, doing school talks, birthday parties, working with others to increase activity in the small business and receiving leadership training from professionals.

Canopy Tax- Sales Development Representative
Draper, Utah
Started July 2021

As a Sales Development Representative I set up appointments to the head of tax/accounting firms to check out the software to make the contract to purchase. As a customer service representative I would answer any questions about the software or report any bugs the software had

Missionary for the Church of Jesus Christ of Latter-day Saints
Syracuse, New York

I would knock doors, teach lessons, make appointments for those interested in the gospel of Jesus Christ of Latter-day Saints in Spanish

Hobbies & Interests

Love of different and unique skills such as karate and orchestra. I am very interested in learning any new skills for the future to help myself and others. Having the ability to learn things quickly. My main interest is to find different experiences to learn from to develop a positive environment.

Certifications

Phlebotomy and IV certification from Oquirrh Mountain Phlebotomy

Languages

Spanish: Fluent

English: Native
