## EXTRACURRICULAR AND EMPLOYMENT EXPERIENCE

**The Neuroclinic** **Nov 2023 - Present**

### Intern

Interned at the Neuroclinic, shadowing technicians to gain exposure to conditions including concussion and mood disorders and therapies such as cranial nerve stimulation, Repetitive Peripheral Somatosensory Stimulation, and Transcranial Magnetic Stimulation.

**Stanford University** **June 2023-August 2023**

### CNI-X Clinical Neuroscience Immersion Experience

Attended daily online lessons on neuroscience concepts led by Stanford professors; participated in the social neuroscience capstone group developing a prototype solution targeting the inequality of mental healthcare access in ethnic minority communities.

**University of Washington** **June 2023-August 2023**

### YSP Young Scholars Program

Learned about various topics within neuroscience by attending daily lectures from professors at the University of Washington.

**Pioneer Acedemics** **April 2024-Present**  
**Research Student**

Through the Pioneer Program, I am learning to develop a research project and write a research paper for an ethnography project under the mentorship of a Northwestern professor.

**Lone Peak High School** **August 2023-Present**

### President of Neuropsychology Club

Coordinated activities to promote awareness of neuroscience and psychology, fostering member engagement, mentorship programs, and community outreach.

**Lone Peak High School** **August 2023-Present**

### President of Latino Culture Society

Founded and presided over Latino Culture Society, fostering cultural understanding, community engagement, and inclusion through various initiatives and events.

**Lone Peak High School** **August 2022-Present**

### President of Political Debate Society

Organized discussions and debates meant to educate students on current issues and promote the discussion of political topics on campus.

**Lone Peak High School** **August 2022-Present**

### Vice President of Model UN

Served as Model UN Vice President, facilitating diplomatic simulations, coordinating events, and fostering teamwork and leadership skills among members.
