Work Experience

Research Assistant

Brigham Young University-Provo, UT

June 2024 to Present

- Assisted in the design, development, and implementation of research protocols and methodologies
- Administered surveys or questionnaires to collect data from study participants
- Collaborated with other researchers or departments within the organization to leverage resources and expertise
- Performed laboratory tests or experiments following established protocols and safety guidelines

Rewind Operator

Fortis Solutions Group-Orem, UT

February 2022 to September 2024

QA rewind operators ensure that products are up to company standards. This requires a high level of autonomy and attentiveness.

- Trained new employees on proper operation of the rewind machine and quality control procedures
- Maintained a clean and organized work area to promote efficiency and safety
- Ensured proper alignment and tension of materials on the rewind machine for accurate rewinding
- Assisted in troubleshooting equipment malfunctions or breakdowns, reporting issues to maintenance department when necessary

Full Time Missionary

The Church of Jesus Christ of Latter-day Saints-Yakima, WA

September 2019 to August 2021

A missionaries primary purpose is to teach and help people understand religious principles. However, missionaries often participate in many community activities in addition to teaching, including the following:

- Addiction recovery
- English classes for non-English speakers
- Service (yard work, house building, food drives, etc.)
- Learning a language (Spanish)
